

ALISA

Not snowing,
Not yet.
Looking out the window knowing
A bit past Thanksgiving,
It's Christmas time!

Decorations?
All set!
Start putting them on?
You bet!

Candles and ornaments,
A sign of
Bright luck and happiness.
Throw on some origami,
A bit of craftiness!

Listening to the music
as you fall asleep.
This is when the famous old man comes by.
Beep! Beep! Beep!

He drops the presents,
and sneaks out the window.
He even visit the presidents,
Maybe give them a Kindle.

Christmas is the best!
